Unauthorized access is prohibited by Title 18 USC Section 1030. Unauthorized access may also be a violation of other Federal Law or government policy, and may result in criminal and/or administrative penalties. Users shall not access other users' or system files without proper authority. Absence of access controls IS NOT authorization for access! USCG information systems and related equipment are intended for communication, transmission, processing and storage of U.S. Government information. These systems and equipment are subject to monitoring to ensure proper functioning, protect against improper or unauthorized use or access, and verify the presence or performance of applicable security features or procedures, and other like purposes. Such security monitoring may result in the acquisition, recording, and analysis of all data being communicated, transmitted, processed or stored in this system by a user. If security monitoring reveals evidence of possible criminal activity, such evidence may be provided to law enforcement personnel. Use of this system constitutes consent to such security monitoring.

## AUXDATA Cubes

### [AUXDATA Awards](#)

The AUXDATA Awards cube contains information on all awards received by an Auxiliarist including number and type of awards a member has been issued: unit level statistics are also available. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Demographics](#)

The AUXDATA Demographic cube contains Auxiliarist profile information including work force statistics on gender and age group for all Auxiliary geographic regions and units. Individual personnel information is not provided. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Member Activities](#)

The AUXDATA Member Activities cube displays statistics related to individual member participation in Auxiliary missions. Hours performed to complete Auxiliary missions using Air, Boat, and Radio facilities are available in addition to hours spent in support of Unit based missions such as Public Education or Public Affairs. Supplemental statistics such as ATON Verified, PE and PA related contributions, and other mission related parameters are also available. Upper level Flotilla, Division, and District statistics reflect the sum of all individual member activities vice the unique unit/level activities as reflected on the Unit Summary Report. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Tasks](#)

The AUXDATA Tasks cube contains personnel training task status (task completion) for Auxiliarists. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Competencies](#)

The AUXDATA Competencies cube contains personnel training and qualification status (competency completion) for Auxiliarists. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Facilities](#)

The AUXDATA Facility cube contains information on all Auxiliary resources (facilities) and unit locations. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Officers](#)

This cube shows offices held by Auxiliary members in the past as well as current. The cube allows a person to search the offices of a unit as well as of the offices a person has held. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.

### [AUXDATA Unit Activities](#)

The AUXDATA Unit Activities cube displays statistics related to individual unit participation in Auxiliary missions. Hours performed to complete Auxiliary missions using Air, Boat, and Radio facilities are available in addition to hours spent in support of Unit based missions such as Public Education or Public Affairs. Supplemental statistics such as ATON Verified, PE and PA related contributions, and other mission related parameters are also available. Upper level Flotilla, Division, and District statistics can also be extracted. Cube questions should be directed to Harry Schoepe, BC-ISL@cgaux.org.
