

ASAR-2011

UNIFORM INFORMATION

UNIFORM WEAR for July 22 and 23rd Competition

ALL BOAT COXSWAIN/CREW MEMBERS, TEAM MEMBERS AND JUDGES:

Uniform will be Coast Guard Auxiliary "Hot Weather" uniform consisting of:

Dark blue shorts

Dark blue Auxiliary T-Shirt

White socks

Boat Shoes The boat shoe (dark blue or brown leather, low cut of moccasin type construction with functional rawhide lacing, brass eyelets, and non-marking sole) is an authorized option for Auxiliarists, regardless of type ODU that is worn (regular or Hot Weather Uniform).

Regulation Auxiliary Ball cap (No Station/Sector/Vessel names)

The important thing here is that Team Members, Boat Crews/Coxswains and Judges should all look alike!

FOR OTHER PARTICIPANTS

Uniform of the day for the event will be ODUs with proper ODU boots and regulation Auxiliary ball cap. If the weather is hot, the blouse may be removed with a regulation Auxiliary T-shirt underneath. This is important as we will be on an active duty Training Center with many young recruits and thus we should be dressed properly.
